

# FreshCut Eucalyptus ClarionChoice Flooring

January 1, 2009

## product information

fresh cut Eucalyptus has deep warm color variations and minimal grain texture; this product creates a clean palette for the rest of the design; while the floor is beautiful and engaging, its tremendous refinement allows for a connection to a wide variety of design elements; we will maximize the use of this forest resource by providing the widest and longest boards possible; our standard production is FSC certified so you know you are contributing to responsible use of our forest resources in the floor you buy and the company it supports

## specie

Eucalyptus (Eucalyptus grandis)

## source :: FreshCut (not recycled)

South American plantation

## moisture content

kiln-dried to 6-8% moisture content

## hardness

janka hardness rating: 1150

## character rating

our character rating: 1.0 (very refined)

our character scale rates floors on a 1 - 10 scale; a low number is a refined floor and a high number is very rustic

## grading

the appearance standards outlined here apply to a floor as a whole and not to individual boards

## knots

no knots

## cracks/checks

none

## color

light red to dark reddish brown with possible variances to creamy sapwood

## grain

the majority of the wood will be flat or cathedral grain; some rift cut or quarter sawn boards may be included

## millwork

$\frac{3}{4}$ " thick; the tongue and groove will be milled on the edges; the back of the board is milled with back outs; the ends of the boards will be cut square

## widths

3" to 7" milled to the full inch wide with custom sizes available; floors are usually produced with a combination of 3 or more face sizes with enough of each size to create a random pattern

## lengths

2' through 12'; with an average of about 8'

## surface

the face is planed smooth and sanded

## installation

basic principles of installation for solid wood floors apply to this product and it should be installed according to the standard professional practices of your area; although, installers should be well experienced with custom wood floors and have artistic skill in board placement

## unfinished

this flooring product comes unfinished and is designed to be prepped and finished on site
